"Fly Me to The Moon"

INTERESTING INFORMATION:

This was the first year the audience was allowed to vote, along with the High School students and out-of-town judges. This was also the first auction and Art Show. During this time, all the area queens were considered princesses at Wenatchee's festival. No one was allowed to wear white, except Wenatchee's queen. Thus Queen Christy had to have a purple overlay for her white dress, to wear during Wenatchee's parade and festivities. After 22 consecutive years, this was Jack Byrne's last year as treasurer.
