INTERESTING INFORMATION

A quilt made by the G.A.L.S. Club in Manson was shown, with each block being one of the button designs since 1948. This year Edna Bennett's daughter-in-law, Nita, helped make the crowns. Mrs. Edna Bennett figured she had made approximately 127 crowns for Apple Blossom royalty, proms, major-ettes, and brides. Mr. John Bennett had also made decorative boxes for the royalty to store their crowns in - over 39. A community sing-along was held at the Evening Program.
